SUPPLEMENTAL SUBMISSION

Sir:

On December 16, 2002, Applicant filed forms entitled Assent of Assignee to Reissue Under 37 C.F.R. § 1.172 and Assignee Statement Under 37 C.F.R. § 3.73(b) in the Patent and Trademark Office, with a Response To Office Action And Petition For Extension Of Time. Both of the forms were properly executed by an individual authorized to act on behalf of the Assignee of the present application.

In the Response, Applicant noted that the above-mentioned signed forms did not identify the serial number of the present application, although they did identify Applicant's name and the title, and the fact that the forms are directed to a reissue application of U.S. Patent No. 6,028,963.

Nonetheless, to even further evidence that the Assignee assents to the

present reissue application, enclosed herewith as a supplement to the above-mentioned forms are new Assignee Statement Under 37 C.F.R. § 3.73(b) and Assent of Assignee To Reissue Under 37 C.F.R. § 1.172 forms executed by a person authorized to act on behalf of the Assignee, and bearing the serial number (Application No. 09/827,925) of the present application.

During a conversation between Special Programs Examiner Krista Zelle and one of Applicant's representatives on January 22, 2003, Ms. Zelle indicated that the new forms (which state explicitly that the individual who executed them is empowered to sign on behalf of the Assignee) would be accepted by the Patent and Trademark Office.

Accordingly, entry of the enclosed forms into the record is respectfully requested, as is acknowledgment of the same.

Early passage to issue of the present reissue application is also respectfully requested.

If any issues remain outstanding, it is respectfully requested that the Examiner contact Applicant's undersigned representative.
